Are you operating in  
**compliance?**

Wyoming Rents

Did you know that aerial and boom lifts must be inspected yearly, to remain compliant with the Occupational Safety and Health Administration (OSHA) and the American National Standards Institute (ANSI)?

And, did you know that Wyoming Rents provides this annual inspection, whether or not you are an equipment-renting customer?

See below for Wyoming Rents' Customer Mobile Elevating Work Platforms (MEWP) Annual Inspection Unified Pricing\*.
